Agreement due date: September 1, 2009

I, the undersigned, hereby agree to allow my child to attend this year's Big Island trip. By doing so, I undertake the financial responsibilities to send my child on this trip. The fee for said activity has been assessed at \$425.00 per child.

In order to secure the travel and venue reservations all parents will be required to pay half of this fee (\$225.00) by October 31, 2009.

Legal Guardian:

The reality of today's economy only serves to underline the needs that some of our families are facing. Typically, the PTSA has a few scholarships that are offered to those families who would otherwise be unable to send their children on this trip. We do not want to exclude these families. If you require sponsorship for your child, please indicate so below.

Require Sponsorship

We must, at this time, wait for a new PTSA board to be elected before we can estimate the number of scholarships, if any, that will be available for the 2010 trip. Thus, we would like also to invite families to sponsor those in need. This can be a partial or full sponsorship (any amount can be given).

If this is something that you feel your family is able to do, please indicate so below:

FOURTH GRADE BIG ISLAND TRIP
MAY 17 – MAY 19, 2010

PAYMENT OPTIONS:

Regardless of the option chosen, the first two payments will be due by the following dates:

Payment 1: \$125.00 September 30, 2009

Payment 2: \$100.00 October 31, 2009

BUY-OUT

In order to reduce the financial burden, typically both parents and children undertake fundraising as a way to reduce this sum of \$500 per child/chaperone. There is the understanding that not all parents can, nor want to, participate in these fundraisers, thus for this reason the option of a buy-out will be offered. The buy-out option is there for those individuals who choose to pay the entire amount on their own.

The total amount of \$425 will be due by or before October 31, 2009

For Buy-Out: Please check one of the following options;

- Immediate Buy-Out of \$425 (due Sept. 30, 2009)
- Two payments (\$225.00 by Sept. 30, 2009 & \$200.00 by Oct. 31, 2009)

FUNDRAISING

The fourth grade team acknowledges that this is a huge financial undertaking. With that said, Lanikai families have always considered fundraising as a viable option for supplementing resources. By choosing the fundraising option, you understand that you will be expected to help out in the various fundraising ventures. Sums collected under this umbrella will be split evenly between all families equally.

To ensure reservations for the various venues we have charged \$225 as an upfront fee. This fee will guarantee your child's place. Again, ANY monies raised will be split equally. Should there, for some unforeseeable reason, be a shortfall in the fundraising monies, the existing amount will be split between everyone who chooses this options and parents will be expected to make up the difference. This also holds true if there is a surplus. At that time, families will be notified and the correct amount will be remitted to all.
