

Minutes for PTSA Meeting on Feb. 3, 2011

Meeting opened by Janny Gibson at 6:35 pm

Attendance for meeting: Vicky Villegas, Marnie Ackerman, Dawn Harrison, Jenn Clark, Kari Johnson, Lisa Kreitzer, Anjelica Sorge, Missy Odom, Melissa Vincenty, Linda Armstrong, Jeanne Hailer, Kimberly Hailer, Ann Pederson and Espie Chapman.

Announcements: Playground Dedication on Feb. 11, 2011, Banana Slugs –a band that promotes math and science will be on Feb. 14,2011

Future Activities: March 4th will be Math and Science Night. Sponsored by the PTSA. We will be having UH –College of National Sciences and Discovery Stations. Bishop Museum will host a Planetarium in the library. We will need volunteers for the math portion. Scott Ritchie has math games he will let us use. Denise Mollison and John would like to do the Abacus project again. This will be a family night. Food will be available for purchase from Boston's Pizza; Salads from Aloha Salads and the PTSA will provide the drinks. This will on a Friday night from 6pm-9pm

May 4, 2011- Teacher Appreciation Day we will be providing lunch for the teachers that day. We will have a theme and menu available soon.

May 6, 2011- May Day at the School

May 7, 2011 – Concert Under The Stars – We will need lots and lots of volunteers for this event. We need Bands for the entertainment, vendors to help sell their own items such as jewelry, crafts, food and other things of interest. The vendors will be asked to donate 15% of gross sales. We will be trying to organize some committees to decrease the workload for the PTSA. Please let us know if you would like to chair a committee. We are going to try to designate specific goals for the Concert Under the Stars such as the money going for STEM (Science, Technology, Engineering and Math) Teachers would be asked to write a proposal for how much money they would need and what they would like to spend it on (A mini grant type request only much less formal). We discussed many things the money could go to such as Air Conditioning throughout campus, Elevator so that we could be in the ADA code and Electrical Upgrades for the school. We felt as a PTSA the STEM program would be best for the PTSA fundraiser.

Other PTSA Business: Elevate cards did not work well as a fundraiser. We made about \$1600 including donations. If anyone still has Elevate cards. Please

return them. We will also be rewriting the PTSA Bylaws in the coming months. We are also looking for a Chairperson for Fundraising and Event Planning.

Meeting adjourned 7:50 pm.

I am including these Volunteer Sign-Up Sheets for Math and Science Night and Concert Under the Stars.

Volunteers For Math and Science Night
