

October 5<sup>th</sup>, 2009

Dear Students, Parents, and Teachers,

At a special School meeting scheduled for October 20<sup>th</sup> (6:30pm), Parents and Teachers are invited to meet with Board members to further discuss priorities for next year. This meeting will be the third of several meetings being held for the purpose of identifying savings for this current school year and building a consensus within our community.

Attached you will find a draft of parent suggestions that they have prioritized for the school. At our next meeting, parents will determine for each selected idea, the feasibility and potential value to the school. Thereafter, the ideas will be submitted to the community for feedback and they will be incorporated into school budget.

Hope to see you on October 20th!

Louis Saint-Cyr  
Chair, Lanikai Charter School Board
