Dear Parents,

Please be advised that the Lanikai Public Charter School Board is committed to maintaining the present school year calendar for the remainder of the school year.

Classes will remain intact five days a week as currently scheduled and teachers will not be furloughed. At this point, it is still unclear how the furlough will affect Special Education teachers who are paid by the Department of Education. Our intention is to maintain present levels of Special Education services. We are committed to continue addressing ways to supplement the funding crisis to sustain current staffing, programs, and the academic success of our keiki.

Sincerely,

Louis Saint-Cyr, LSB President
